MURRAY SOUND FINAL STAGE NOW SELLING – ABSOLUTE CREEK FRONTAGE

LAND NOW TITLED READY TO BUILD

Murray Sound is Cohuna's premiere residential estate, and one of the only to offer creek access and uninterrupted creek views! Bounded by Gunbower and Barr Creek and only 500 metres from Cohuna's town centre, it is hard to imagine a more idyllic setting to build your dream home.

Nestled opposite New Cohuna Beach & All Abilities Park the large allotments offer an envious northern aspect and are fully serviced with underground power, filtered water, town sewage, bitumen road and curbing.

Positioned with serenity and tranquillity in mind, Murray Sound is only a short walk, cycle or boat ride to the centre of town where you can enjoy everything Cohuna has to offer.
